

# Shrewsbury Park Residents' Association

## Shrub Planting 2012

### Update

Dear fellow resident,

Further to the Association's earlier letter about shrub planting, I am delighted to inform you that the shrubs are scheduled to be planted on the Borough-maintained kerb-side shrub beds, this Friday, 16<sup>th</sup> March.

At our request, the planting is being done at no cost to the Residents' Association as part of the Laing Estate's 75<sup>th</sup> Birthday Celebrations and timed especially for the Royal Borough and Jubilee year festivities. The Borough's Cleansweep team is meeting the full cost. I have communicated the Association's thanks to Cleansweep for the new shrubs and their recent hard work in transforming the appearance of the Estate's beds and verges.

As before, please contact me if there are any maintenance issues you would like me to raise and I will pass these on to the relevant Royal Borough team.

Please look out for the new shrubs. If you have a new shrub outside your house the Association would be grateful if you could keep it watered, particularly for this year.

With kind regards,

Robert Million  
Chair, Shrewsbury Park Residents' Association

14<sup>th</sup> March 2012

| Address                  | Location | Shrub quantity | Notes                 |
